

KNIGHT[®]

AMERICA'S MUZZLELOADER

2017 CATALOG

A competition muzzleloader and the ultimate hunting rifle, the Knight 500 is one serious long-range muzzleloader. At 500 yards, this rifle's out-of-the-box MOA assures your shot will hit its intended target at an impressive distance. With a Full Plastic Jacket ignition system, the Knight 500 shoots in any condition imaginable. Boasting an impressive 28" handcrafted Green Mountain barrel and a Boyds Custom Stock with an Aluminum Bedding Block that assists in free floating its barrel, this rifle defines accuracy. An adjustable cheek piece on the stock adds to your comfort, enabling a clear, sure shot at the bullseye from any position.

BULLETS & SABOTS

OUTDOOR ACCESSORIES & APPAREL

BLOODLINE BULLETS BY LEHIGH DEFENSE*

> Bloodline steps beyond tradition. Utilizing forefront ballistic technology, Lehigh Defense has developed the next generation in expansion bullets - exclusively for Knight. Bloodline bullets have a controlled release of 6 petals leading to increases in organ damage and visual blood trails. The controlled release means consistency and no excess shrapnel.
> All Bloodlines come in packs of 20
